WHAT IS EXCHANGE MATCHING ?

A process by which inbound and outbound exchange opportunities are created.

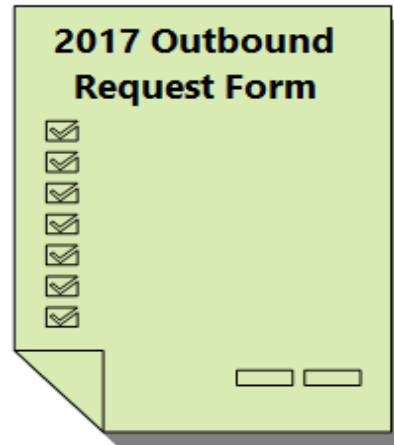

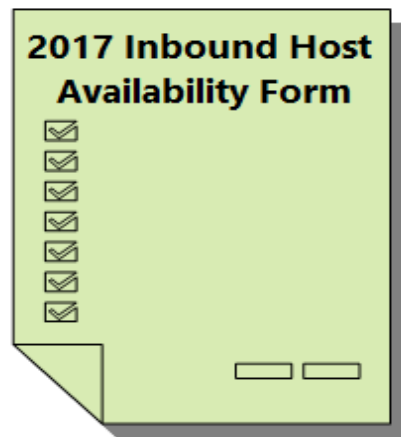

Clubs are matched based on:

- Requests
- Availability
- Host Capacity
- Exchange History

DO YOU KNOW THAT...

There are FF clubs in 60 countries around the world. However, half of those countries only have 1 club (ex: Sweden)

Norway is available to host 1 week in 2016. There were 42 requests to visit Norway.

There are 88 weeks of hosting available in Europe in 2016. There were 390 requests to visit Europe.

The average hosting capacity for European clubs is 16.

HOW TO GET A GREAT EXCHANGE

- **Turn in the forms on time**
- **Be flexible in terms of destinations**
- **Select realistic destinations**
- **Include as much information as possible on the request form - use the 'Additional Comments' box!**
- **Arrange mutual exchanges**
